

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 743 - SB 1382**

February 11, 2019

**SUMMARY OF BILL:** Extends, from three to four weeks, the time period in which the State Fire Marshal (SFM) must publish a weekly notice in the newspaper of the county in which an unidentified owner's fireworks were seized before the contraband may be destroyed.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- According to the Department of Commerce and Insurance, the Division of Fire Prevention, no known instance of publishing a notice in a county newspaper due to seized fireworks of an unidentified owner has been recorded. Historically, owners have been identified prior to every previous fireworks seizure.
- It is presumed that requiring an additional week of publishing a newspaper notice will not cause a significant fiscal impact to the Division.

**IMPACT TO COMMERCE:**

**NOT SIGNIFICANT**

Assumption:

- County newspaper circulations will not incur an increase or decrease in revenue due to the proposed legislation. No significant impact to commerce or jobs in Tennessee.
